

How to make a PB & J sandwich	Pictures provide below for reference
<p>Step 1:</p> <p>Please take note of the objects in front of you.</p> <ol style="list-style-type: none"> <li>Plate</li> <li>Knife</li> <li>spoon</li> <li>Loaf of pre-sliced bread</li> <li>Jar of creamy peanut butter</li> <li>Jar of strawberry jelly</li> </ol>	
<p>Step 2:</p> <p>Open the loaf of bread and take out 2 slices of bread and put them next to each other on the plate side by side.</p>	
<p>Step 3:</p> <ol style="list-style-type: none"> <li>Open the jar of peanut butter</li> <li>Grab the knife provided</li> <li>Insert knife partially (<i>about 3/4ths of the way before the handle</i>) into the open jar of peanut butter and swipe the knife about a half an inch and remove from jar.</li> <li>Spread the peanut butter on the knife onto one side of the bread covering as much of the area as you can.</li> </ol>	

Step 4:

- a. Open the jar of jelly
- b. Grab the spoon provided
- c. Insert spoon in the jelly jar and swipe then remove from jar
- d. Put the jelly from the spoon on the other slice of bread from step 2. Do this twice.
- e. Take the knife you used for the peanut butter and use this to spread the jelly on the bread slice, covering as much area as you can.

Step 5:

- a. Close both jars
- b. Put silverware in the sink or to the side
- c. Pick up the slice of peanut butter bread, and put it together with the jelly slice, with both condiments facing each other

Congrats! You can now eat and enjoy!
